Julie,

Attached are the original files for the El Nino Contingency Plan. The Emergency Call Out Tree is an AutoCAD file so I also included it as a PDF. Not sure if you have easy access to AutoCAD so if you need further edits to it please let me know.

Thanks,

Marc

Subject: Leviathan Mine Contingency Plan

Marc,

I am updating the Leviathan Mine contingency plan. There are two attachments that I do not have the origin files to edit. Attached are those items, Attachments 1 and 2. Do you have those files to send to me, update, or both?

Thanks!

Julie
